

WHEATON

Public Meeting Regarding Wheaton Redevelopment

Wednesday, June 12, 7:00 p.m.

Wheaton Library – 11701 Georgia Ave., Wheaton

The Montgomery County Department of Transportation will solicit developers in June for a mixed use design and development project in Wheaton. The objectives of the construction are the following:

- Private mixed-use development
- Park & Planning Headquarters office building
- Town Square
- Public parking garage
- And possible additional County offices

Come learn more details about the project at this public meeting while also sharing your interests and concerns related to the redevelopment. Potential developers will be there to hear your comments and feedback.

For more information about this exciting project go to:
